Working with Mitch is a pleasure. Mitch is exceedingly organized, extremely punctual, and has an uncanny talent for political organizing and communication. His talent, along with his relentless work ethic will no doubt take him far in this business. Mitch assists the Michigan Sierra Club with media relations, messaging, communication, and press work. He has flawlessly quarterbacked many press conferences for us, often having to manage a great deal of variables. I truly enjoy working with Mitch and I give him my highest recommendation.
